The tragedy of war is that it uses man's best to do man's
worst. ~ Henry Fosdick

Commonwealth War Graves in St Nicholas' Churchyard

The Commonwealth War Graves Commission ensures that 1.7 million people who died in the two world wars will never be forgotten. There are cemeteries and memorials at 23,000 locations, in 154 countries and nine of these graves are in our churchyard. This leaflet contains a map of their location and brief details about the individuals.

We also have a civic war memorial at the church entrance.
